

## Solution Pricing

**We adapt to your business needs. Choose only the services that you require and let us customize the right solution for you.**

ONS Technologies is dedicated to providing outstanding Computer and Network services to its customers. We rely on our highly trained and specialized technicians to provide a host of solutions based on customer needs and requirements including the Sales, Service and Design of systems and web-based applications used in all types of businesses.

At ONS, we offer a comprehensive suite of Solutions that free up your limited resources to concentrate on your mainstay business. Let us worry about supporting your growing business with cost-effective technology solutions.

**Sales:** Our Staff has access to many resources that allows us to recommend and provide the best solutions at a price that will fit most any budget. Please call for a quote.

**Break / Fix:** Our highly qualified Staff provides repair services for most any system. Sold by ONS, or sold by others, we are capable of getting your systems up and running as soon as possible. These services do not guarantee a response time unlike Block Time or Maintenance services.

**Networked Systems:**

- ◆ \$90.00 / 1st hour
- ◆ \$75.00 / 2nd hour plus (billed in 30 min. increments)

**Standalone Systems:**

- ◆ \$75.00 / 1st hour
- ◆ \$60.00 / 2nd hour plus (billed in 30 min. increments)

**Block Time:** Support hours can be purchased in blocks of time for Networked Systems at a reduced rate to alleviate budget concerns and ensure the availability of a Technician when systems need repair.

- ◆ \$750.00 - 10 hours used in 30 minute increments with Next Business Day (NBD) guaranteed response.
- ◆ \$1400.00 - 20 hours used in 15 minute increments with Same Business Day (SBD) guaranteed response.
- ◆ \$2600.00 - 40 hours used in 15 minute increments with **4 Hour** guaranteed response.

**Web Design:** Our skilled web designers can design an eye-catching new website, or redesign your current website to enhance your business' web presence.

- ◆ \$50.00 / hour - Design consultation on look, feel, and content
- ◆ \$100.00—Layout
- ◆ \$150.00 - Home page
- ◆ \$75.00 / page - Additional Pages
- ◆ \$25.00 - Picture supplied by ONS
- ◆ \$10.00 - Picture supplied by Customer
- ◆ \$75.00 - Design PDF format for website downloads
- ◆ \$50.00 - Create PDF file for website download

**Hardware Maintenance:** ONS can provide maintenance for customers with three (3) or more systems to keep them up and running. Services provided can be customized to fit specific requirements or budget and can be billed on a Quarterly or Annual basis.

- ◆ Initial inspection of systems to determine state of equipment and usability,
- ◆ Regular cleaning of systems, inside and out, to reduce dust build-up and prevent heat related failures,
- ◆ Monthly cleanup of files and defrag of hard disk files,
- ◆ Basic support for Operating Systems and Programs.

**Cost per System: \***

# of PCs	Monthly \$	Qtrly \$	Annual \$
3-14	\$40.00	\$112.50	\$420.00
15-24	\$35.00	\$97.50	\$360.00
25-49	\$30.00	\$82.50	\$300.00

**Support Hours (add Cost / Hour to above rates:**

Per Hour	\$70.00	\$65.00	\$60.00
	(Billed in 30 min. increments)		
Response Time	4 Hour	SBD	NBD

\* Hardware required for repairs billed separately.
